PROFILE SUMMARY

Software engineer with a proven ability to adapt in both self-starting and collaborative environments while staying focused on achieving high-quality results under strict deadlines. Eager to obtain a challenging position at a prestigious company like Dream Version that will expand my learning and build upon my developer skills

EDUCATION

SHERIDAN COLLEGE   2024 - PREENT
- Diploma in Computer Science

GUJARAT TECHNOLOGICAL UNIVERSITY
- Diploma in Computer Engineering
  CGPA: 8.80 / 10   2019 - 2022

WORK EXPERIENCE

Aayog Infotech   DEC 2022 - AUG 2024
Software Developer

As a Junior Software Developer, I was responsible for supporting the development of innovative software solutions and collaborating with cross-functional teams to design, implement, and maintain applications. My role involved writing clean, efficient code, fixing bugs, and contributing to key projects that enhanced the user experience and improved overall system performance.

Freelance   JAN 2022 - OCT 2022
Web Designer

- Took an online course to learn more about web design and management, and successfully finished the course with the highest score
- Designed a website for a local TV by applying the skills received from the course and years of experience as a graphic designer, which resulted in the improvement of the website performance and web traffic by 46%
- Won second place in the website design competition held by Studio Shodwe and received award money
